No S D 294 of 30.12.34

Requests that the Bank may be
permitted to issue Consolidated bonds of the
1st Series of Rs. 100/- denomination
on the basis of the 1st Series of Rs. 100/-
as apply for them on the
same basis as in 2nd Series.

The President of the Bank has
himself raised certain objections to the
proposals now recommended by him, when
the Finance Dt. Board asked for a Consolidated
bond for 2nd Series of Rs. 100/- denomination each.
He had pointed out that it may not be possible
to issue the 1st Series authorising the issue of debentures
of one denomination viz Rs. 100/-, and
that since the Bank has the right to redeem
as many bonds as it may choose after
the lapse of 10 years from the date of issue,
and issuing them by lot, it would be
inconvenient to issue lots in respect of
them if they are consolidated.

Now the President's request be
referred to the Registrar of C.S. for opinion?

To

THE SECRETARY

to the Government of His Highness
the Maharaja of Mysore,

Development Department, BANGALORE.

Sir,

(W) I have the honour to state that the holders of the first series of the Bank's debenture bonds who have invested large amounts therein find it very difficult to handle the bonds since they are all of only one denomination viz., Rs. 100/- as prescribed in Government Order No. D. 12215-3/L.M. 21-29-2 dated 16th April 1934. The making of the necessary endorsements of payment of interest etc., from time to time both by the Treasuries and the Bank also involves a great deal of avoidable scriptory work and waste of time.

2. In the circumstances I request that Government may be pleased to permit the Bank to issue consolidated bonds to such of the holders as apply for them, on the same conditions as those contained in para 3 (11) of the enclosed prospectus issued with the sanction of Government in the case of the bonds of the second series of the Bank's debentures; namely, that "separate debenture bonds of Rs. 100/- each or consolidated bonds of Rs. 500/-, Rs. 1,000/- or Rs. 5,000/- will be issued in lieu of bonds of equal value on payment of a fee of eight annas for each bond issued".

- (iii) The re-issue shall be made for the same amount under the same number with the addition of the word "renewed" A fee of eight annas will be charged for every renewed debenture thus issued.
- (11) Separate debenture bonds of Rs. 100 each or consolidated bonds of Rs. 500, Rs. 1,000 or Rs. 5,000 will be issued in lieu of bonds of equal value on payment of a fee of eight annas for each bond so issued.

Sir,

With reference to your letter No.D.4893/L.M.21-34-2 dated 30th Jan'y 1935 forwarding for my opinion, a copy of letter No.S.I.294 dated 30th December 1934 received from the President, Land Mortgage Bank, in the matter of the issue of consolidated bonds to such of the holders of the First Series of Debentures of the Bank as may apply for them, on the same conditions as in the Second Series, I have the honour to state that the question had come up for consideration in 1932 at the instance of the Tumkur District Board who held a large number of these debentures. The President of the Land Mortgage Bank, who was consulted in the matter, pointed out in his letter No.S.I.413 dated 21st April 1932 (a copy of which was forwarded to Government with this office letter No.7896/C.S.dated 3rd May 1932) certain difficulties in the way of issuing the consolidated bonds, and suggested the adoption of certain procedure in order to overcome the inconvenience felt by the District Board in respect of these debentures and Government were pleased to agree with the President's opinion. Now that the President himself proposes that the Bank may be permitted to issue consolidated bonds in respect of the debentures of the First Series on the same conditions as those contained in para 3 of the prospectus issued by Government in respect of the Second Series, I recommend that the proposal may be accepted as it would, I think, be certainly advantageous to provide for the consolidation and subdivision of these bonds whenever it is found necessary.
